2023 Travis Society Member Club Dues

We have restructured our club and individual dues for 2023 to make it easier for our clubs and professionals to have a membership package that is more efficient and cost effective for all parties. The annual club dues will include three individual memberships that have a \$75 value. Renewing and joining is now easier and can be done in one transaction rather than multiple with the club and three individuals separately.

Annual Club Dues   \$300

Designated Annual Individual Memberships per club (3)

Please provide the name, email address and best phone number for each of your three designated individual memberships
